

# **Are you Set Up and Using the Parent Portal?**

The portal can:

- help you know your child's schedule
- give you teacher names for all subjects
- document (+/-) patterns in work production
- see the grades they have been given to date
- set goals with your child for improvements
- help everyone prepare for conferencing

**DO YOU NEED HELP GETTING SET UP?**

**Please call: TerryLaMontagne 222-1247**  
(to make an appointment or to get help over the phone)

If you don't have the internet let us know, we may be able to help with that too!
